

TRI-CITY MODEL RAILROADERS

October 16, 2020

**** SPECIAL ANNOUNCEMENT ****

The Tri-City Model Railroaders (TCMR) is a non-profit organization devoted to educating the community about the hobby of model railroading and the history of railroads in the Mid-Columbia Region. To support this effort TCMR purchased a facility at 11 W. Kennewick Ave. in Kennewick, WA in which we are building a model railroad layout that depicts this region. Together, the facility and layout are becoming a community asset. The facility will re-open to the public once the current COVID-19 restrictions are lifted.

The purchase of the facility and construction of the layout is requiring significant funding in order to accomplish our organization's objectives. We want to have the building paid off and much of the construction completed within the next five years, but added funding is needed.

We are pleased to announce our arrangement with Tupperware for an online fundraiser. Go to the link below and connect with the current Tupperware Catalog to order and have items shipped directly to you. If you have questions or need direct assistance, you can contact Stella Nielsen (phone: 509-430-4913) as the Tupperware representative for this fundraiser.

Sincerely,
