

TRI-CITY MODEL RAILROADERS

4 November 2020

**** SPECIAL ANNOUNCEMENT ****

The Tri-City Model Railroaders (TCMR) is a non-profit organization devoted to educating the community about the hobby of model railroading and the history of railroads in the Mid-Columbia Basin. To support this effort TCMR purchased a facility at 11 W. Kennewick Ave in Kennewick, WA in which we are building a model railroad layout that depicts this region. Together, the facility and layout are becoming a community asset. The facility will re-open to the public once the current COVID-19 restrictions are lifted.

The purchase of the facility and construction of the layout is requiring significant funding in order to meet our organization's objectives. We want to have the building paid off and much of the construction completed within the next five years but added funding is needed.

We are pleased to announce our arrangement with Mary Kay Sales Director, Margo Quesnell, for an online fundraiser. Go to the link below and connect to her Mary Kay web site. You can either have the orders shipped directly to you, or if you live in the Tri-City area you can have Margo deliver it to you. If you have questions or need assistance you can contact Margo at 971-801-2268. To ensure that TCMR receives credit for the purchase type TCMR in the promo box, or, call Margo if you don't see the promo box. The fundraiser ends December 15, 2020.
